

### Overview from Keith Cote and Bruce McEvoy

This first semester of 2026 has been incredibly busy and deeply fruitful. We have done much work supporting our friends in Cuba, distributing **financial support throughout the church to meet vital HOME needs.**

Notably, we provided a solar-powered generator, which has enabled the team there to host Next Gen youth events even during blackouts. We are super proud of the Youth Force investors and how **they have stepped up to help our friends from Cuba in need.**

Beyond Cuba, we have seen successful trips to **Trinidad and Tobago** to host a powerful youth event. There are also many incredible youth events taking place in **Kenya**, and so much is happening on the ground in **Brazil** and **Egypt.**

Looking ahead to June, we will head to Manila to help put on a conference for the AEA, which will **encourage** local churches to become **active disciple-making ministries.**

The ministry season has been full, and now we are gearing up to start new partnerships with **Empower 21, Word of Life, and the WEA.**

**We cannot wait to share more stories** and upcoming new adventures for the ministry as the year progresses!

## JAN-JUN 2026

### Kenya - Lamgambo Music Pulse

In Kenya, Peter Chege continues to lead a **transformative ministry**. By focusing on disciple-making and empowering young leaders, Peter's team has been able to reach deep into local communities through **worship in public locations**.

His dedication is raising up a **new generation of believers** equipped to serve their neighborhoods and lead with **faith and resilience**.

### Brazil - Youth Gatherings

There is so much happening in Brazil this semester!

Local leaders have been **working tirelessly** to host youth gatherings that bring **hope** and **direction** to students.

Through dedicated **mentorship** and **community** outreach, the church in Brazil is seeing a renewed passion among its young people.

### Trinidad and Tobago - Engaging the Next Generation

Our recent trips to Trinidad and Tobago culminated in an incredible youth event: **IMPULSE**. +250 young people from across the area gathered for worship, teaching, and fellowship.

The **hunger for spiritual growth and connection** was evident, and local leaders are already seeing the fruit of this annual gathering in their weekly ministries.

They hosted an event featuring GLS Next Gen resources, and we had people on our team from the **US, Brazil, and Germany**.

### Cuba - Impact and community is growing!

**Besides what has been shared before**, the Cuba team highlighted one of their events!

Despite Cuba's severe crisis, 22 leaders gathered at BendiSion for a powerful three-day **GLS Next Gen retreat**.

Even a nationwide blackout and strict state security couldn't halt the event; thanks to donor-funded solar power, sessions continued uninterrupted, filling the darkness with praise.

## UPCOMING ADVENTURES & PARTNERSHIPS

### FOURTH YOUNGER LEADERS GATHERING - LAUSANNE

Since 1987, **Lausanne's Younger Leaders Gatherings** have equipped and mobilized thousands of leaders who now serve in churches, ministries, workplaces, and mission fields **across the globe.**

### SERVING A MOVEMENT. EMPOWERING A GENERATION.

**Empowered21** is a global network that brings together people from the Spirit-empowered Christian movement. They focus on connecting different generations, tackling current challenges within the movement, and working to spread their message worldwide.
